A letter of gratefulness

Dear brothers and sisters,

We want to sincerely thank you for the large donation we received from your community. This charity, like all donations received from you earlier, will be used to ease the difficult life of the rural people in Lithuania. We thank our Lord Jesus Christ and all of you that because of your love and care we have the opportunity to serve people.

The Bible worker Robertas Grigas will organize distribution of the goods in his area. Our team in Vilnius also want to express our special gratefulness for your help. The Bible worker Albina Miežonienė and her team has been working in a small town Širvintos, 50 km from Vilnius for several years already. She and her team has helped many families in that area who were or are in need.

Recently, the Lord helped us to find a family where one grandmother, her name is Stasė, has been taking care of six her grandchildren for seven years already by herself. The names of the children are: Akacija, Jonas, Grantas, Lukas, Goda. Miglė is a disable person. The situation in this family is really difficult. Father died and mother has problems with alcohol. Very often we need to bring food and clothes for these children.

We want to warmly thank all the dear brothers and sisters of the Mjondalen community for your great help and embrace all of you in our arms of prayer.

May the good Lord Jesus Christ bless you abundantly with the gifts of his grace!

God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. Hebrews 6:10.

With brotherly love,

Pastor Bertold Hibner
